Hills District of Los Angeles.

John Krumboltz

Creating Lucky Clients

The goal of helping clients make their life's career decision is simplistic and obsolete. Let's talk about a more valuable goal. Dr. John Krumboltz is Professor of Education & Psychology at Stanford University and a licensed psychologist in California. He is author of [Luck Is No Accident: Making the Most in Your life and Career.](#)

Thursday, October 2, 2008. 10-11 am Pacific; 11-12 pm Mountain; 12-1 pm Central, 1-2 pm EST

Carol Christen

Successful Strategies for Choosing a College

Do you know a high school or college student who does not have a clue of what to do next? Author of [What Color Is Your Parachute for Teens](#), Carol will share insights from interviews with over 400 college students and grads. Their learnings range from philosophical to practical; for example, "If you want your education to bring you more than debt, think backwards."

Thursday, October 30, 2008. 10-11 am Pacific, 11-12 pm Mountain; 12-1 pm Central, 1-2 pm EST
